Community Improvement Goals & Objectives

-To facilitate community and neighborhood outreach efforts in order to identify community concerns regarding Countywide Code Enforcement challenges.

- To create active, working partnerships with County staff, 1st District Legislative staff, residents, neighborhood groups, and all others invested in District 1 communities and neighborhoods.

- To develop educational opportunities that promote voluntary compliance with Code Enforcement requirements through participation at neighborhood meetings, creation and distribution of informational brochures, and community newsletters.

- To identify County services, assets and other resources that promote safe and healthy living conditions.

-To enhance neighborhood pride by engaging individuals to get involved and make a positive impact in their neighborhoods.

- To promote, foster, and/or enhance the development of citizens' interest and participation in their communities as a volunteer.
