## Community Improvement Goals & Objectives

- To facilitate community and neighborhood outreach efforts in order to identify community concerns regarding countywide code enforcement challenges.
- To create active working partnerships with county staff, residents, neighborhood groups, district board supervisors' staff, and all others invested in county communities and neighborhoods.
- To develop educational opportunities that promote voluntary compliance with code enforcement requirements through participation at neighborhood meetings, creation and distribution of informational brochures, and community newsletters.
- To identify county and other resources and assets to be used to encourage and support voluntary compliance with code enforcement requirements and assist in community improvement efforts.
- To enhance neighborhood pride by engaging individuals to take greater responsibility for improving their community environments through increased community activities and events.
- To promote, foster, and/or enhance the development of citizens' interest and participation in their communities as a volunteer.
